Delta Academy Interested Candidate

RE: Dr. Betty Shabazz Delta Academy

Dear Candidate,

Please find attached an application for participation in the Prince William County Alumnae Chapter of Delta Sigma Theta Sorority, Inc., Dr. Betty Shabazz Delta Academy.

Delta Academy is a program designed specifically for young girls ages 11-14. The vision of the program is to prepare young ladies such as yourself for the future by helping you to build stronger academic, social, leadership, and personal skills. The women of Delta Sigma Theta Sorority, Inc. see this as a wonderful opportunity to partner with members of your family and local middle schools to enrich and enhance your lives as we help you to prepare for the future. We take this opportunity to provide service in the form of leadership through service learning (community service involvement), and sisterhood. We capture this all and define it as the cultivation and maintenance of building stronger relationships among you and your peers as well as adults who have been where you may be trying to go.

The lovely ladies of the Prince William County Alumnae Chapter of Delta Sigma Theta Sorority, Inc., offer activities on Saturdays throughout the months of October through June. Many of the activities will include community service opportunities, (workshops on self-esteem awareness, health & beauty, and etiquette), field trips for science experience, cultural outings (museums & plays) and college exposure.

Please complete and return the application with postmark by October 3, 2008 to:
